## **ABSTRACT (First level heading, Capital, Arial, 12, Bold)**

The abstract should contain the essence of your work in not more than 150 words. It should be a single paragraph written in past tense. The abstract should answer the following questions: 1) Motivation: Why do we care about this topic? 2) Problem statement: What is the main issue that you are going to address? 3) Methodology: What kinds of specimens were used? How many specimens were tested and how? 4) Results: What were the experimental outputs? 5) Implications: How does this work add to the body of knowledge on the topic?

**Keywords:** *About four key words or phrases separated by commas, with only the first index term capitalized, should be included. (Arial, 10 Italic)*
